tea time with polly

In 2021, renowned milliner Polly Singer of Georgetown turned her attention to developing artisan teas, one of her passions. She released her first teas in January 2022.

Her hat-design creativity extends to the development of her tea blends, with clever names like Audrey's French Beret and Paula's Pumpkin Fedora. Try some of Polly's seasonal teas or sample her classic blends such as Earl Grey's Top Hat.
